| <input type="checkbox"/> plastic bags (assorted sizes) | |
| <input type="checkbox"/> plastic zipper bags (food, storage) | |

Here's the ideal luggage setup for a road trip with two people. Two carry on sized suitcases with four wheels. Two soft sided coolers with plastic inserts. Two knapsacks, or daypacks. One tote, or gym bag. When checking in to a hotel, each wear a knapsack. Now sling the cooler straps over the extended suitcase handles for easy rolling.
